Docket No. 98N-1265 408 MAY 10 09:47

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

my compound prescription alleviates symptoms
that were previously debilitating.
I tried standard formulas for years with miserable
side effects.
